Re: Interior Decoration of Our Home

Dear Tony:

Ted and I would like to express our appreciation to you for our beautiful home interior. We are thrilled with the outcome of your advice on what to do and how to do it. Thank you for making it all come together so beautifully. We are eternally grateful!

Recalling your first visit to our home, there were furniture pieces on about every square inch of floor space, the result of the combination of two different households, not to mention at least two different styles of furnishings. What a puzzle! We definitely needed help, and fast. Your ability to visualize each room, using our favorite pieces to their greatest advantage, and supplementing those with some great new pieces and accessories brought life and excitement to the rooms.

Your professionalism, enthusiasm, and great taste are outstanding, and we would definitely recommend you and your company to anyone desirous of exceptional interior decorating services.

Thanks again, Tony, for making our home all it could be!

Sincerely,

Joy and Ted Schleiffer
